Councillors R Buck (Chairman), J Mason - 2.

Also In attendance:

B Cornish (Clerk)

Four members of the public

Questions or Statements

A member of the public asked if the person they had suggested to the Chair was able to join. Councillor Buck said that she would follow it up with the member of the public.

Two members of the public asked for clarification on the new guidance on advertising in the village. Councillor Buck advised that clarification was required from the local Highways Engineer at Wiltshire Council about whether there was to be any enforcement for notices to be placed in The Square.

She said that the Parish Council would be considering the installation of noticeboards around the village including one at the Nadder Close car park, on the railings at the Reading Room, near the Tisbury Swimming Pool and in the High Street. However, it was not obliged to provide them and would do so in order to support organisations and their events held by the active community.

A member of the public said that they had driven through villages in Oxfordshire and Somerset recently and none of them had a large number of signs and notices advertising local events and there were no notices on the telegraph poles. She said that the community needed to get into a different habit of not putting notices onto telegraph poles.

Councillor Buck thanked those present for their comments, advised that as the meeting was not quorate, no decisions could be taken and the meeting could not go ahead. The meeting closed at 6.20 pm.
